Article 2 — Carriage of Cargo: Governing Law

2.1 Any Carriage performed by the Carrier either itself or through third parties, including all services relating thereto which are either performed by itself or by such third party, are subject to:

   a) The Applicable Convention, as applicable to the Carriage;
   b) the other national and international law insofar as applicable to the Carriage,
   c) any other national and international governmental regulations, orders and requirements insofar as applicable to the Carriage,
   d) these General Conditions of Carriage and other conditions, rules, regulations and flight schedules as determined by the Carrier (exclusive of the arrival and departure times set forth therein); these can be inspected at any branch office and at the airports from where the Carrier operates scheduled air services.

2.2 For the purposes of the Applicable Convention the agreed stoppage places, which can if necessary be changed by the Carrier, shall be those places - except for the place of departure and the place of destination – indicated on the Air Waybill or scheduled as regular stopping places for the air route in the flight schedules of the Carrier.

2.3 Without prejudice to 2.1 and 2.2, Domestic Carriage is governed by the provisions of the Greek Aviation Code (Law 1815 / 88), as further provided in 14 of these General Terms of Carriage.

Article 3 - Applicability

3.1 GENERAL
These conditions shall apply to all Carriage of Cargo, including all services incidental thereto, performed by or on behalf of Carrier; provided however that if such Carriage is “International Carriage” as defined in the Applicable Convention, such Carriage shall be subject to the provisions of the Applicable Convention and to these General Conditions of Carriage to the extent that these General Conditions of Carriage are not inconsistent with the provisions of such Convention. Domestic Carriage shall be subject to the provisions of the Greek Aviation Code (Law 1815 / 88), as further provided in 14 of these General Terms of Carriage.

3.2 CODE SHARE FLIGHT
Some flights or services of the air Carrier may be subject to a Code Share agreement with other air Carriers. In such case, a Carrier which designator code does not feature on the Air Waybill may operate the relevant air service. These General Conditions of Carriage shall remain applicable for this type of flight.

3.3 APPLICABLE LAWS AND CARRIER’S PRODUCTS AND SERVICES
To the extent not in conflict with 3.1 all Carriage and other services performed by Carrier are subject to:

3.3.1 applicable laws (including national laws implementing a Convention or extending the rules of the Applicable Convention to Carriage which is not “International Carriage” as defined in the Applicable Convention) government regulations, orders and requirements;
3.3.2 these General Conditions of Carriage, other applicable rules and regulations, products and services and timetables (but not the times of departure and arrival therein specified) which may be obtained from Carrier.

3.4 GRATUITOUS CARRIAGE
With respect to gratuitous Carriage, Carrier reserves the right to exclude the application of all or any part of these General Conditions of Carriage.

3.5 CHARTERS
With respect to Carriage of Cargo performed pursuant to a charter agreement with Carrier, such Carriage shall be subject to Carrier’s charter tariffs applicable thereto (if any) and these General Conditions of Carriage shall not apply except to the extent provided in said charter tariff. Where Carrier has no charter tariff applicable to such charter agreement, these General Conditions of Carriage shall apply to such agreement except that Carrier reserves the right to exclude the application of all or any part of these General Conditions of Carriage and, in case of divergence between the applicable provisions of these General Conditions of Carriage and the General Conditions of Carriage contained or referred to in the charter agreement, the latter shall prevail and the Shipper, by accepting Carriage pursuant to a charter agreement, whether or not concluded with the Shipper, agrees to be bound by the applicable terms thereof.
3.6 CHANGE WITHOUT NOTICE
These General Conditions of Carriage and the published rates and charges are subject to change without notice except to the extent otherwise provided by applicable law or government regulations or order; provided however that no such change shall apply to a contract of Carriage after the date of issuance of the Air Waybill by Carrier or after the date the rate or charge for the Carriage has been entered in the Shipment Record.

3.7 EFFECTIVE RULES
All Carriage of Cargo governed by these General Conditions of Carriage shall be subject to Carrier’s rules, regulations and tariffs in effect on the date of the issuance of the Air Waybill by Carrier or on the date of the Shipment Record, whichever is applicable, provided that in the event of inconsistency between these General Conditions of Carriage and Carrier’s rules, regulations and tariffs, these General Conditions of Carriage shall prevail. Any provision herein which is or may be void or unenforceable shall to the extent of such invalidity or unenforceability be deemed severable and shall not affect any other provisions herein.

Article 4 — Acceptability of Goods for Carriage
4.1 CARGO ACCEPTABLE
4.1.1 Carrier undertakes to transport, subject to the availability of suitable equipment and space, all Shipments, unless otherwise excluded by Carrier’s regulations and provided:
4.1.1.1 the transportation, or the exportation or importation thereof is not prohibited by the laws or regulations of any country to be flown from, to or over;
4.1.1.2 they are packed in a manner suitable for Carriage by aircraft;
4.1.1.3 they are accompanied by the requisite shipping documents;
4.1.1.4 they are not likely to endanger aircraft, persons or property, or cause annoyance to passengers.
4.1.2 Carrier reserves the right without assuming any liability to refuse Carriage of Cargo or, retain, cancel, defer or, at any time, return any Shipment likely to cause damage or delay to other Shipments, goods or persons, or the Carriage of which is prohibited by law or is in violation of any of these General Conditions of Carriage. Carrier’s acceptance of a Shipment does not imply that such Shipment conforms to applicable laws and regulations or to the present General Conditions of Carriage.

4.2 VALUATION LIMIT OF SHIPMENT
Carriage of Shipments having a declared value for Carriage are not acceptable. Air Waybill must include the wording “No Value Declared” or “NVD” under the “Declared Value for Carriage” field.

4.3 PACKING AND MARKING OF CARGO
4.3.1 Shipper is responsible for ensuring that the Cargo is packed in an appropriate way for Carriage so as to ensure that it can be carried safely with ordinary care in handling and so as not to injure or damage any persons, goods or property. Each package shall be legibly and durably marked with the name and full address of the Shipper and Consignee.
4.3.2 Packages containing valuables as defined in Carrier’s regulations must be sealed if so requested by Carrier.

4.4 CARGO ACCEPTABLE ONLY UNDER PRESCRIBED CONDITIONS
Dangerous goods, live animals, perishables, fragile goods, human remains, and other special Cargo are acceptable only under the conditions set forth in Carrier’s regulations applicable to the Carriage of such Cargo.

4.4.1 Perishables goods: The Carrier will not be liable for any direct, consequential, indirect loss and/or claims, in relation to any quantity or quality alteration, depreciation or deterioration that may be caused to the perishable goods by the temperature or humidity conditions or by the delays in the flight schedule. According to IATA Perishable Cargo Regulations, article 7.2 Air Waybill, under no circumstances are Air Waybills to be completed with unreasonable instructions and/or specific temperature conditions, such as “Keep cool at all times” or “Always”. Instead, acceptable wording may be “Whenever Possible” or “Wherever Possible”.

4.4.2 Dangerous Goods: The Shipper shall not tender for Carriage any Cargo which is or may become dangerous, volatile, explosive, inflammable or offensive or which is, or may become, liable to damage any property or capable of posing a risk to the environment whatsoever, without presenting a full description disclosing the nature of such Cargo. In any event the Shipper shall be liable for all loss and damage caused thereby. If, in the sole opinion of Carrier, the Cargo becomes or is liable to become dangerous, inflammable, explosive, volatile,
offensive, or damaging in nature or capable of posing a risk to the environment, the same may at any time be
retained, destroyed, disposed of, abandoned or rendered harmless by Carrier without compensation to the
Shipper and without prejudice to Carrier’s right to any charges and at the cost of the Shipper.

4.5 RESPONSIBILITY FOR NON-OBSERVANCE OF CONDITIONS RELATING TO SPECIAL CARGO
Responsibility for non-observance of the conditions relating to the Carriage of Cargo rests upon the Shipper who
shall indemnify Carrier for any loss, damage, delay, liability or penalties Carrier may incur because of Carriage of
any such Cargo.

4.6 CARRIER’S RIGHT OF INSPECTION
Carrier reserves the right to examine the packaging and contents of all Shipments and to enquire into the
correctness or sufficiency of information or documents tendered in respect of any Shipment but Carrier shall be
under no obligation to do so.

4.7 UNIT LOAD DEVICES
When Shipper undertakes to load a unit load device (ULD) it must comply with Carrier’s loading instructions and
shall be liable for and indemnify Carrier against all consequences of any non-compliance with such instructions.

Article 5 — Documentation
5.1 AIR WAYBILL
The Shipper shall make out or have made out on its behalf, an Air Waybill in the form, manner and number of
copies prescribed by Carrier, and shall deliver such Air Waybill to Carrier simultaneously with the acceptance of
the Cargo by Carrier for Carriage. However, charges for Carriage and other charges, insofar as they have been
ascertained, shall be inserted in the Air Waybill by Carrier. Carrier may require the Shipper to make out, or have
made out on his behalf, separate Air Waybills when there is more than one package.

5.2 ELECTRONIC AIR WAYBILL
If the Carrier provides for such possibility, the Air Waybill may be made out and/or stored in electronic form and
signed by electronic signature as provided for this purpose by the Carrier. Upon handing over of the Cargo the Air
Waybill must be physically available. The Carrier may electronically store (scan) open accompanying freight
documents; sentence 2 shall apply analogously. After electronic storage, the Carrier is entitled to send
accompanying freight documents requiring physical delivery directly to the place of destination, independent
from the Carriage of the Cargo.

5.3 SHIPMENT RECORD
Carrier, with the express or implied consent of the Shipper, may substitute for the delivery of an Air Waybill a
Shipment Record to preserve a record of the Carriage to be performed. If such Shipment Record is used Carrier
shall, if so requested by the Shipper, deliver to the Shipper in accordance with Carrier’s regulations a goods
receipt for the Cargo permitting identification of the Shipment and access, in accordance with Carrier’s
regulations, to the information contained in the Shipment Record.

5.4 APPARENT CONDITION/ PACKING OF THE CARGO
If the apparent order and condition of the Cargo and/or packing is in any way defective the Shipper shall, if an Air
Waybill is delivered, include on the Air Waybill a statement of such apparent order and condition. If no Air Waybill
is delivered, the Shipper shall advise Carrier of the apparent order and condition of the Cargo, to enable Carrier to
insert an appropriate reference thereto in the Shipment Record. However, if the Shipper fails to include such
statement in the Air Waybill or to advise Carrier of the apparent order and condition of the Cargo, or if such
statement or advice is incorrect, Carrier may include in the Air Waybill or insert in the Shipment Record a
statement of the apparent order and condition of the Cargo, or note a correction thereto.

5.5 PREPARATION, COMPLETION OR CORRECTION BY CARRIER
Carrier may at the request of the Shipper expressed or implied, make out the Air Waybill in which event, subject
to proof to the contrary, Carrier shall be deemed to have done so on behalf of the Shipper. If the Air Waybill
handed over with the Cargo or if the particulars and statements relating to the Cargo furnished by or on behalf of
the Shipper to Carrier for insertion in the Shipment Record do not contain all the required particulars, or if the Air
Waybill or such particulars or statements contain any error, Carrier is authorised to complete or correct the Air Waybill or particulars or statements to the best of Carrier’s ability without being under any obligation to do so.

5.6 RESPONSIBILITY FOR PARTICULARS
The Shipper is responsible for the correctness of the particulars and statements relating to the Cargo inserted by him or on his behalf in the Air Waybill or furnished by him or on his behalf to Carrier for insertion in the Shipment Record. Where such information is provided by means of Electronic Data Interchange (EDI), it is the responsibility of the Shipper or the Shipper’s agent to verify contents, accuracy and completeness of the EDI messages and subsequent messages according to the agreed standards and specifications. The Shipper shall indemnify Carrier against all damage suffered by him, or by any other person to whom Carrier is liable, by reason of the irregularity, incorrectness or incompleteness of the particulars and statements furnished by the Shipper or on his behalf.

5.7 ALTERATIONS
The Carrier shall be entitled to refuse Air Waybills for which the writing has been altered or erased.

Article 6 — Rates and Charges

6.1 APPLICABLE RATES AND CHARGES
Rates and charges (including terminal charges) for Carriage governed by these General Conditions of Carriage are those duly published by Carrier from time to time, or determined by Carrier in compliance with the applicable laws and regulations, and in effect on the date of the issuance of the Air Waybill by Carrier or on the date the rate or charge for the Carriage has been entered in the Shipment Record.

6.2 BASIS OF RATES AND CHARGES
Rates and charges will be based on the units of measurement and subject to the rules and conditions published in Carrier’s regulations and rates.

6.3 SERVICES NOT INCLUDED IN PUBLISHED RATES AND CHARGES
Except as otherwise provided in Carrier’s rules and regulations for products and services, rates and charges apply only from airport to airport and do not include any ancillary service given by Carrier in connection with the air Carriage, in particular surface transportation services between airports or between airports and designated pick-up or delivery addresses.
Furthermore, unless expressly otherwise provided for in the published tariffs, the freight rates and charges do not cover the following (but not limited to) services:

a) pick-up and delivery services to and from the airports from which the carrier performs its services,
b) storage fees,
c) insurance fees,
d) cash on delivery charges,
e) advanced charges,
f) costs incurred by the Carrier upon customs clearing of the cargo, or incurred by third parties irrespective of whether these act as agents of the consignor, the consignee, the owner of the cargo, or the carrier,
g) charges or fines imposed or collected by competent authorities, including duties or taxes,
h) costs incurred by the carrier for repairing defective packaging,
i) freight charges for the Carriage, reloading or return Carriage of Cargo with other means of transportation, as well as the freight charges for return Carriage to the place of departure,
j) surcharges,
k) any other similar services or charges.

6.4 PAYMENT OF CHARGES
6.4.1 Rates and charges published may be paid in any currency acceptable to Carrier. When payment is made in a currency other than in the currency in which the rate or charge is published, such payment will be made at the rate of exchange established for such purpose by Carrier, the current statement of which is available for inspection at Carrier’s office where payment is made.

6.4.2 Full applicable charges, whether prepaid or collect, fees, duties, taxes, charges, advances and payments, made or incurred or to be incurred by Carrier and any other sums payable to Carrier, will be deemed fully earned, whether or not the Cargo is lost or damaged, or fails to arrive at the destination specified in the contract of
Carriage. All such charges, sums and advances will be due and payable upon receipt of the Cargo by Carrier, except that they may be collected by Carrier at any stage of the service performed under the contract of Carriage.

6.4.3 The Shipper guarantees payment of all unpaid charges, unpaid Charges Collect, advances and disbursements of Carrier. The Shipper also guarantees payment of all costs, expenditures, fines, penalties, loss of time, damage and other sums which Carrier may incur or suffer by reason of the inclusion in the Shipment of articles the Carriage of which is prohibited by law, or the illegal, incorrect or insufficient marking, numbering, addressing or packing of packages or descriptions of the Cargo, or the absence, delay or incorrectness of any export or import license or any required certificate or document, or any improper customs valuation, or incorrect statement of weight or volume. Carrier shall have a lien on the Cargo for each of the foregoing and, in the event of non-payment thereof, shall have the right to dispose of the Cargo at public or private sale (provided that prior to such sale Carrier shall have mailed notice thereof to the Shipper or to the Consignee at the address stated in the Air Waybill) and to pay itself out of the proceeds of such sale any and all such amounts. No such sale shall, however, discharge any liability to pay any deficiencies, for which the Shipper and the Consignee shall remain jointly and severally liable. By taking delivery or exercising any other right arising from the contract of Carriage, the Consignee agrees to pay such charges, sums and advances, except prepaid charges.

6.4.4 If the gross weight, measurement, quantity or declared value of the Cargo exceeds the gross weight, measurement, quantity or declared value on which charges for Carriage have been previously computed, Carrier shall be entitled to require payment of the charge on such excess.

6.4.5 Charges Collect Shipments will be accepted only to countries listed in Carrier’s regulations and subject to the conditions contained therein. In any event, Carrier reserves the right to refuse Shipments on a Charges Collect basis to any country where regulations prevent the conversion of funds into other currencies or the transfer of funds to other countries. Information on countries to which Charges Collect service is available may be obtained from offices and representatives of Carrier.

6.4.6 All charges applicable to a Shipment are payable at the time of acceptance thereof by the Carrier in the case of a prepaid Shipment, i.e. a Shipment on which the charges are to be paid by the Shipper, or at the time of delivery thereof by the Carrier in the case of a collect Shipment, i.e. a Shipment on which the charges are to be paid by the Consignee.

6.4.7 Carrier may cancel the Carriage of the Shipment upon refusal by the Shipper, after demand by Carrier, to pay the charges or portion thereof so demanded, without Carrier being subject to any liability therefor.

Article 7 — Shipments in Course of Carriage

7.1 COMPLIANCE WITH GOVERNMENT REQUIREMENTS

7.1.1 The Shipper shall comply with all applicable laws, customs and other government regulations of any country to or from which the Cargo may be carried, including those relating to the packing, Carriage or delivery of the Cargo, and shall, together with the Shipment, furnish such information and deliver such documents as may be necessary to comply with such laws and regulations. Carrier shall not be obliged to inquire into the correctness or sufficiency of such information or documents. Carrier shall not be liable to the Shipper or any other person for loss or expense due to Shipper’s failure to comply with this provision. The Shipper shall be liable to Carrier for any damage occasioned by the failure of the Shipper to comply with this provision.

7.1.2 Carrier shall not be liable for refusing to carry any Shipment if Carrier reasonably determines in good faith that such refusal is required by any applicable law, government regulation, demand, order or requirement.

7.2 DISBURSEMENTS AND CUSTOMS FORMALITIES

Carrier is authorised (but shall be under no obligation) to advance any duties, taxes or charges and to make any disbursement with respect to the Cargo and the Shipper and Consignee shall be jointly and severally liable for the reimbursement thereof. No Carrier shall be under obligation to incur any expense or make any advance in connection with the forwarding or reforwarding of the Cargo except against prepayment by the Shipper. If it is necessary to make customs entry of the Cargo at any stopping place, and no customs clearance agent has been named on the face of the Air Waybill or in the Shipment Record, the Cargo shall be deemed to be consigned to the Carrier carrying the Cargo to such place. For any such purpose a copy of the Air Waybill, or of the Shipment Record, certified by the Carrier, shall be deemed original.

7.3 SCHEDULES, ROUTINGS AND CANCELLATIONS

7.3.1 Times shown in Carrier’s timetables or elsewhere are approximate and not guaranteed and form no part of the contract of Carriage. No time is fixed for commencement or completion of Carriage or delivery of Cargo. Unless specifically agreed otherwise and so indicated in the Air Waybill or Shipment Record, Carrier undertakes to
carry the Cargo with reasonable dispatch but assumes no obligation to carry the Cargo by any specified aircraft or
over any particular route or routes, or to make connections at any point according to any particular schedule.
Carrier is hereby authorised to select or deviate from the route or routes of the Shipment, notwithstanding that
the same may be stated on the face of the Air Waybill or in the Shipment Record. Carrier is not responsible for
errors or omissions either in timetables or other representations of schedules. No employee, Agent or
representative of Carrier is authorised to bind Carrier by any statements or representations of the dates or times
of departure or arrival, or of operation of any flight.

7.3.2 Carrier is authorised to carry the consignment without notice wholly or partly by any other means of surface
transportation or to arrange such Carriage.

7.3.3 Carrier reserves the right without notice, to cancel, terminate, divert, postpone, delay or advance any flight,
or the further Carriage of any Cargo, or to proceed with any flight without all or any part of the Cargo, if it
considers that it would be advisable to do so because of any fact beyond its control or not reasonably to be
foreseen, anticipated, or predicted at the same time the Cargo was accepted; or if it considers that any other
circumstances so require.

7.3.4 In the event any flight is cancelled, diverted, postponed, delayed or advanced or is terminated at a place
other than the place of destination or in the event the Carriage of any Shipment is so cancelled, diverted,
postponed, delayed, advanced or terminated, Carrier shall not be under any liability with respect thereto. In the
event the Carriage of the Shipment or any part thereof is so terminated, delivery thereof by Carrier to any
transfer Agent for transfer or delivery or the placing of such Shipment in storage shall be deemed complete
delivery under the contract of Carriage, and Carrier shall be without any further liability with respect thereto,
except to give notice of the disposition of the Shipment to the Shipper or to the Consignee, at the address stated
in the Air Waybill or Shipment Record. Carrier may, but shall not be obligated to, forward the Shipment for
Carriage by any other route or forward the Shipment as agent for the Shipper or the Consignee for onward
Carriage by any transportation service on behalf of the Shipper or the Consignee. The cost of doing so attaches to
the Cargo.

7.3.5 Subject to applicable laws, regulations and orders, Carrier is authorised to determine the priority of Carriage
as between Shipments, and as between Cargo and mail or passengers. Carrier may likewise decide to remove any
articles from a Shipment, at any time or place whatsoever, and to proceed with the flight without them. If as a
result of determining such priority, Cargo is not carried or Carriage thereof is postponed or delayed or if any
articles are removed from a Shipment, Carrier will not be liable to Shipper or Consignee or to any other party for
any consequences of any nature whatsoever arising therefrom.

7.4 CERTAIN RIGHTS OF CARRIER OVER SHIPMENT IN COURSE OF CARRIAGE

If in the opinion of Carrier it is necessary to hold the Shipment at any place for any reasonable purpose, either
before, during or after Carriage, Carrier may, upon giving notice thereof to the Shipper, store the Shipment for
the account and at the risk and expense of the Shipper, in any warehouse or other available place, or with the
customs authorities; or Carrier may deliver the Shipment to another transportation service for onward Carriage to
the Consignee. The Shipper shall indemnify Carrier against any expense or risk so incurred.

Article 8 — Shipper’s Right of Disposition of the Cargo

8.1 EXERCISE OF RIGHT OF DISPOSITION

Every exercise of the right of disposition must be made by the Shipper or his designated agent, if any, and must
be applicable to the whole Shipment under a single Air Waybill, or under a single Shipment Record. The right of
disposition over the Cargo may only be exercised if the Shipper or such agent produces the part of the Air Waybill
which was delivered to him, or communicates such other form of authority as may be prescribed by Carrier’s
regulations. Instructions as to disposition must be given (in writing) in the form prescribed by Carrier. In the event
that the exercise of the right of disposition results in a change of Consignee, such new Consignee shall be deemed
to be the Consignee appearing on the Air Waybill or in the Shipment Record.

8.2 SHIPPER’S OPTION

8.2.1 Subject to his liability to carry out all his obligations under the contract of Carriage and provided that this
right of disposition is not exercised in such way as to prejudice Carrier or other Shippers, the Shipper may at his
own expense dispose of the Cargo either:

8.2.1.1 by withdrawing it at the airport of departure; or of destination; or

8.2.1.2 by stopping it in the course of the journey on any landing; or
8.2.1.3 by calling for it to be delivered at the place of destination or in course of the journey to a person other than the Consignee named in the Air Waybill or Shipment Record; or
8.2.1.4 by requiring it to be returned to the airport of departure;
8.2.2 Provided that if, in the opinion of Carrier, it is not reasonably practicable to carry out the order of the Shipper, Carrier shall so inform him promptly and Carrier shall thenceforth be under no obligation to carry out any such order.

8.3 PAYMENT OF EXPENSES
The Shipper shall be liable for and shall indemnify Carrier for all loss or damage suffered or incurred by Carrier as a result of the exercise of his right of disposition. The Shipper shall reimburse Carrier for any expenses occasioned by the exercise of his right of disposition.

8.4 EXTENT OF SHIPPER’S RIGHT
The Shipper’s right of disposition shall cease at the moment when, after arrival of the Cargo at the destination, the Consignee takes possession or requests delivery of the Cargo or Air Waybill, or otherwise shows his acceptance of the Cargo. Nevertheless, if the Consignee declines to accept the Air Waybill or the Cargo, or if he cannot be communicated with, such right of disposition shall continue to vest in the Shipper.

Article 9 — Delivery
9.1 NOTICE OF ARRIVAL
Notice of arrival of the Shipment will, in the absence of other instructions, be sent to the Consignee and any other person whom Carrier has agreed to notify as evidenced in the Air Waybill or Shipment Record; such written notice will be sent by any means. Carrier is not liable for non-receipt or delay in receipt of such notice.

9.2 DELIVERY OF SHIPMENT
Except as otherwise specifically provided in the Air Waybill or Shipment Record, delivery of the Shipment will be made only to the Consignee named therein, or his agent. Delivery to the Consignee shall be deemed to have been effected:
9.2.1 when Carrier has delivered to the Consignee or his agent any authorisation from Carrier required to enable the Consignee to obtain release of the Shipment; and
9.2.2 when the Shipment has been delivered to customs or other government authorities as required by applicable law or customs regulation.

9.3 PLACE OF DELIVERY
Except as provided in 9.3, the Consignee must accept delivery of and collect the Shipment at the airport of destination or the respective facility as designated by the Carrier.

9.4 FAILURE OF CONSIGNEE TO TAKE DELIVERY
9.4.1 If the Consignee refuses or fails to take delivery of the Shipment after its arrival at the airport of destination, Carrier will endeavour to comply with any instructions of the Shipper set forth on the face of the Air Waybill, or in the Shipment Record. If such instructions are not so set forth or cannot reasonably be complied with, Carrier shall notify the Shipper of the Consignee’s failure to take delivery and request his instructions. If no such instructions are received within thirty (30) Days, Carrier may sell the Shipment in one or more lots at public or private sale, or destroy or abandon such Shipment, without engaging liability of Carrier.
9.4.2 The Shipper is liable for all charges and expenses resulting from or in connection with the failure to take delivery of the Shipment, including, but not limited to, carriage charges incurred in returning the Shipment if so required by the Shipper’s instructions. If the Shipment is returned to the airport of departure and the Shipper refuses or neglects to make such payments within fifteen (15) Days after such return, Carrier may dispose of the Shipment or any part thereof at public or private sale after giving the Shipper ten (10) Days notice of its intention to do so.

9.5 DISPOSAL OF PERISHABLES
9.5.1 When a Shipment containing perishable articles as defined in Carrier’s regulations is delayed in the possession of Carrier, is unclaimed or refused at place of delivery, or for other reasons is threatened with deterioration, Carrier may immediately take such steps as it sees fit for the protection of itself and other parties in interest, including but not limited to the destruction or abandonment of all or any part of the Shipment, the
sentsing of communications for instructions at the cost of the Shipper, the storage of the Shipment or any part thereof at the risk and cost of the Shipper, or the disposition of the Shipment or any part thereof at public or private sale without notice or engaging liability of Carrier.

9.5.2 In the event of the sale of the Shipment as provided for above, either at the place of destination or at the place to which the Shipment has been returned, Carrier is authorised to pay to itself and other transportation services out of the proceeds of such sale all charges, advances, and expenses of Carrier and other transportation services plus costs of sale, holding any surplus subject to the order of the Shipper. A sale of any Shipment shall, however, not discharge the Shipper and/or owner of any liability hereunder to pay any deficiencies.

9.6 THE LIABILITY OF THE SHIPPER AND CONSIGNEE FOR COSTS AND CHARGES IN CONNECTION WITH THE CARRIAGE

By accepting delivery of the Air Waybill and/or the Shipment, the Consignee shall become liable for payment of all costs and charges in connection with the Carriage. Unless otherwise agreed the Shipper shall not be released from his own liability for these costs and charges and will remain jointly and severally liable with the Consignee. Carrier may make delivery of the Shipment or the Air Waybill conditional upon payment of these costs and charges.

Article 10—Pick-up and Delivery Services

10.1 AVAILABILITY OF SERVICE

Pick-up Service and Delivery Service will be available at the relevant locations, to the extent and subject to the conditions, rates and charges established for such services in accordance with the applicable regulations of Carrier.

10.2 REQUEST FOR SERVICE

Pick-up or Delivery Service, if available, will be provided when requested by the Shipper or Consignee.

10.3 SHIPMENT FOR WHICH SERVICE IS UNAVAILABLE

Pick-up Service and Delivery Service will not be provided by Carrier without special arrangement for any Shipment which, in the opinion of Carrier, because of its volume, nature, value or weight is impractical for Carrier to handle in normal course.

10.4 LIABILITY

If Pick-up Service or Delivery Service is performed by or on behalf of Carrier, such surface transportation shall be upon the same terms as to liability as set forth in article 11 hereof.

Article 11—Successive Carriers

11.1 Carriage to be performed under one contract of Carriage by several successive Carriers is regarded as a single operation if it has been considered as such by the parties.

Article 12—Carrier’s Liability

12.1 Carrier is liable to the Shipper, Consignee or any other person for damage sustained in the event of destruction or loss of, or damage to, or delay in the Carriage of Cargo only if the occurrence which caused the damage so sustained took place during the Carriage as defined under Article 1.

12.2 Except as may be otherwise provided in any Applicable Convention, Carrier is not liable to the Shipper, Consignee or any other person for any damage, delay or loss of whatsoever nature arising out of or in connection with the Carriage of Cargo or other services performed by Carrier, unless such damage, delay or loss is proved to have been caused by the negligence or willful default of Carrier and there has been no contributory negligence on the part of the Shipper, Consignee or other claimant.

12.3 Carrier is not liable if the destruction, loss of or damage to Cargo is proved to have resulted solely from the inherent defect, quality, nature or vice of that Cargo.

12.4 Carrier will not be liable for any loss, damage or expense arising from death due to natural causes or death or injury of any animal caused by the conduct or acts of the animal itself or of other animals such as biting, kicking, goring or smothering, nor for that caused or contributed to by the condition, nature or propensities of the
animal, or by defective packing of the animal, or by the inability of the animal to withstand unavoidable changes in its physical environment inherent in the Carriage by air.

12.5 Carrier shall not be liable in any event for any consequential loss or damage arising from Carriage subject to these General Conditions of Carriage, whether or not Carrier had knowledge that such loss or damage might be incurred.

12.6 If the damage was caused or contributed to by the negligence or other wrongful act or omission of the person claiming compensation, or the person from whom he derives his rights, Carrier shall be wholly or partly exonerated from liability to the claimant to the extent that such negligence or wrongful act or omission caused or contributed to the damage.

12.7 Liability of Carrier shall not exceed twenty two (22) Special Drawing Rights per kilogram of Cargo destroyed, lost, damaged or delayed, converted into national currency under applicable law, regardless of the applicable convention. All claims shall be subject to proof of value.

12.8 In the case of loss, damage or delay of part of the Shipment, or of any object contained therein, the weight to be taken into consideration in determining the amount to which Carrier’s liability is limited shall be only the weight of the package or packages concerned. Nevertheless, when the loss, damage or delay of part of the Shipment, or of an object contained therein, affects the value of other packages covered by the same Air Waybill, the total weight of such package or packages shall also be taken into consideration in determining the limit of liability. In the absence of proof to the contrary, the value of any such part of the Shipment lost, damaged or delayed as the case may be, shall be determined by reducing the total value of the Shipment in the proportion that the weight of that part of the Shipment lost, damaged or delayed has to the total weight of the Shipment.

12.9 The Shipper, owner and Consignee, whose property causes damage to or destruction of another Shipment or of the property of Carrier, shall indemnify Carrier for all losses and expenses incurred by Carrier as a result thereof. Cargo which, because of inherent defect, quality or vice or because of defective packing, is likely to endanger aircraft, persons or property may be abandoned or destroyed by Carrier at any time without notice and without liability therefor attaching to Carrier.

12.10 A Carrier issuing an Air Waybill for Carriage over the lines of another Carrier does so only as Agent for such other Carrier and shall not incur in any liability for the loss of or damages caused to the Shipments during Carriage. Any reference in a Shipment Record to Carriage to be performed by another Carrier shall be deemed to refer to Carriage to be provided as principal by such other Carrier. No Carrier shall be liable for the loss, damage or delay of Cargo not occurring on its own line except that the Shipper shall have a right of action for such loss, damage or delay on the terms herein provided against the first Carrier and the Consignee or other person entitled to delivery shall have such a right of action against the last Carrier under the contract of Carriage.

12.11 Whenever the liability of Carrier is excluded or limited under these General Conditions of Carriage, such exclusion or limitation shall apply to Agents, servants or representatives of Carrier and also to any Carrier whose aircraft or other means of transportation is used for Carriage.

Article 13 — Limitations on Claims and Actions

13.1 Receipt by the person entitled to delivery of the Cargo without complaint is prima facie evidence that the same has been delivered in good condition and in accordance with the contract of carriage. In the absence of notification submitted within the given timeframe, any action against the Carrier is unacceptable except in case of fraud of Carrier.

13.2 No action shall be maintained in the case of loss or damage to goods unless a complaint is made to Carrier in writing by the person entitled to delivery. Such complaint shall be made:

13.2.1 in the case of visible damage to the goods, immediately after its discovery and at the latest within fourteen (14) Days from the date of receipt of the goods;

13.2.2 in the case of other damage to the goods, within fourteen (14) Days from the date of receipt of the goods;
13.2.3 in the case of delay, within twenty-one (21) Days from the date on which the goods were placed at the disposal of the person entitled to delivery;
13.2.4 in the case of non-delivery of the goods, within one hundred and twenty (120) Days of the date of issue of the Air Waybill or the date of the Shipment Record, whichever is applicable.

13.3 Any right to damages against Carrier shall be extinguished unless an action is brought within two (2) years after arrival at destination, or the day of scheduled arrival of the aircraft at destination, or of the break of transport. The calculation method will be determined by the law of the court to which the case is referred to. Any claim or action mentioned in above paragraph must be notified in writing in the given timeframe.

**Article 14 – Domestic Carriage of Cargo**

Domestic Carriage and the relevant Contract of Carriage are regulated by the Greek Aviation Code (Law 1815/1988), and supplementarily, if not provided otherwise therein, by these General Conditions of Carriage.

Liability of Carrier shall not exceed five Euro and eighty-seven cents (5,87 €) per kilogram of Cargo destroyed, lost, damaged or delayed.

if the Consignee refuses or fails to take delivery of the Shipment within ten (10) Days after its arrival at the airport of destination, Carrier may proceed with a public deposit or sale of the Goods, as per Article 103 of Law 1815/1988.

The Courts of Athens are exclusively competent for any dispute that may arise from the Contract of Carriage in relation to Domestic Carriage of Cargo.

**Article 15 - Disputes: Governing Law and Place of Jurisdiction**

Disputes arising from or in connection with these General Terms of Carriage are subject to Greek Law. In the event of applicability of a Convention, an action for damages may only be brought within the sovereignty of one of the State Parties, at the choice of the claimant either at the court of the location where the headquarters of the Carrier are situated or at the location of its branch office which concluded the Contract, or at the court of the place of destination.

**Article 16 — Overriding Law**

16.1 Insofar as any provision contained or referred to in the Air Waybill or Shipment Record or these General Conditions of Carriage may be contrary to mandatory law, government regulations, orders or requirements, such provision shall remain applicable to the extent that it is not overridden thereby. The invalidity of any such provision shall not affect any other part. The invalid provision shall be replaced by a lawful provision closest to the economic content of the concluded Contract of carriage in accordance with the respective applicable law.

**Article 17 — Modification and Waiver**

17.1 No Agent, servant or representative of Carrier has authority to alter, modify or waive any provision of the contract of Carriage or of these General Conditions of Carriage.

**Article 18 - Data Protection**

18.1 By submitting any personal data to Carrier the Shipper consents to Carrier using this data for the purposes of Carrier (or its agents or subcontractors) performing their obligations under the relevant (Air) Waybill and these General Conditions of Carriage. In particular, the Shipper consents to Carrier sharing shipment data, including personal data, to Customs if such is necessary for customs clearance and Customs may record and use that data for customs, safety and security purposes as required in the frame of the clearance process. The Shipper also consents to Carrier sharing this data with Carrier’s parent, its subsidiaries and branches, and confirms that Carrier can do the same with the Shipper’s personal data.

18.2 In relation to any data provided by the Shipper concerning a Consignee or third party in connection with a Carriage, the Shipper warrants that it has complied with applicable data protection laws including obtaining all necessary consents and approvals for the provision of such data to Carrier and the processing by Carrier of this data for the performance of the Carriage.
18.3 Carrier has operations located around the world. As a result of the performance of a Carriage personal data concerning Shippers and Consignees may be transferred to other countries outside of the European Economic Area that may have different levels of protection towards personal data. By submitting the Carriage and by signing the Air Waybill the Shipper consents to the transfer of such personal data to those countries.
